

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 22 October 1958

FROM : Chief, Intelligence Production Faculty

SUBJECT: Weekly Activities Report No. 42
15 October - 21 October 1958

I. SIGNIFICANT ITEMS

Nothing to report

II. OTHER ACTIVITIES

A. On 20-21 October in B&S Building the Intelligence Production Staff, aided by Dr. [redacted] (0/0) briefed a visiting foreign intelligence officer on the missions and functions of the DD/I area and on research and analysis techniques and practices. Mr. [redacted] prepared the schedule for the briefings.

B. On Wednesday, 22 October, Dr. [redacted] lectured to the I.O. class. His subject was "Production of Intelligence."

C. On Thursday, 16 October, Mr. [redacted] accompanied by Miss [redacted] and four students who recently completed Intelligence Research (Maps) No. 9, visited the Army Map Service and observed the map-making facilities. The guided tour included the Cartographic, Photogrammetry, and Reproduction Divisions.

D. On Friday, 17 October, Dr. [redacted] discussed the proposed training catalogs for OCR Registers with Mrs. [redacted], TLO for OCR. The Industrial Register catalog was presented for [redacted] and transmitted to [redacted] for AD/CR. [redacted] *draft*

[redacted] program for OCR.

III. PERSONNEL NOTES

A. On Saturday, 18 October, Mr. [redacted] passed successfully his final flight test with a CAA examiner and acquired his private pilot certificate.
